Re: 2021/22 Annual Corporate Sponsorship Opportunities

Dear Future ASHE Sponsor:

On behalf of the American Society of Highway Engineers (ASHE) NY Metro Section, we would like to invite you to participate in the 2021 / 2022 corporate sponsorship program. The ASHE NY Metro Section is seeking sponsorships from local firms to help support the **Scholarship Program**. These sponsorships also help the NY Metro Section in keeping monthly programs and technical PDH programs costs at a minimum.

In order for you to choose the sponsorship level that best fits the needs of your firm, we offer a variety of packages. The benefit of being a sponsor includes:

- ✓ Recognition at each of our monthly programs (virtual until we are able to host in-person presentations), through the display of your company logo and advertisement via PowerPoint.
- ✓ Free NY Metro memberships (4 or 2 depending on level)
- ✓ Discounted monthly technical meetings, each meeting offers 1 PDH.
- ✓ Opportunity to network with industry leaders.
- ✓ Listing as sponsor on email communications related to Scholarship Awards event (Scholarship level)

Thanks to many of you, we are now entering our 17th year with a membership base that continues to grow.

ASHE NY Metro has a significant presence in New York City and provides a forum for members and partners of the highway industry to support education, innovation, and fellowship in this field.

Please help us to continue to help our industry in the metropolitan area by continuing to support our section. Please consider sponsoring ASHE NY Metro and be a part of this well-respected professional group and aid in the professional development of your employees.

We thank you in advance for your continued support. Enclosed, please find a complete sponsorship package for your review along with a list of companies who have previously participated in the sponsorship Program.

Sincerely,

Karim Palomino, PE
President
